MEMORANDUM TO HEADS OF DEPARTMENTS AND AGENCIES

The Director of the Bureau of the Budget is now completing his review of the agency requests for the 1960 Budget. He will shortly send to you a letter, approved by me, informing you of the amount that has been allowed your agency by the Administration. I request that you adjust your programs so as to keep within the allotted amount, appealing to me only when you feel that to keep within such amount will impair the security or welfare of our country.

A large, cursive handwritten signature in black ink, which appears to be that of Dwight D. Eisenhower.
